**DISCOVERY ORDER NO. 4**

Dkt. Nos. 433, 436, 442

The parties appeared before the Court for a Discovery Status Conference on January 28, 2021. This Order confirms the matters discussed during that hearing and, after consultation with Judge Breyer, sets new case deadlines.

**1. Document discovery** – the parties shall complete their meet and confer regarding the outstanding document discovery (Plaintiffs to Allergan and Walgreens to Plaintiffs) by February 4, 2021. To the extent that disputes remain following that meet and confer, the parties shall present those to the Court in accordance with the Court’s Order re: Discovery Letter Brief Procedure. (Dkt. No. 331.)

**2. Walgreens discovery** – Walgreens shall produce prescribing data for the nine Bay Area counties (San Francisco, Alameda, Contra Costa, Sonoma, Marin, San Mateo, Santa Clara, Solano and Napa). With respect to the remaining disputes, the parties shall complete their meet and confer by February 4, 2021, and if necessary, submit a joint discovery letter brief in accordance with the Court’s procedure.

**3. Depositions** – the parties shall meet and confer regarding whether to agree to an hours limit, rather than a number of depositions limit, for depositions. The Court notes that complete parity in the number of depositions or deposition hours is not necessary provided

Defendants agree that Plaintiffs' can use depositions taken in the other cases. The parties shall complete the meet and confer within two weeks of this Order and then follow the discovery letter brief procedure, if necessary.
